“ It was a great surprise and shock that I read Ricky's obituary today. I talked with Ricky after he went to the nursing home in Greer(he called me ) and I felt that he had gotten the attention he needed and he told me that he was going to be there for a while and did not intend to go back home because of the steep hill he had top climb each day. Ricky was a friend that I will miss and Taylors has lost our "Mayor". Ricky will be missed and I wish God's blessings on his family members.
