“ It is with great sorrow that we extend our sympathy to all your family.
Doug and I had the privilege of Ricky's friendship for several years through our daughter Kelley who worked at National Health Care. In that time Ricky enriched our lives immensely. His endless humor, his caring and compassionate nature and what must have been endless patience that only someone in Ricky's condition can experience.
We are and will always be so happy looking back on our fond memories with Ricky and grateful that God brought him into our lives.##imported-begin##Mr. & Mrs. Douglas Horanburg##imported-end##
