“ *Robby, I appreciate your friendship and the encouragement you always showed my kids.*

I know we were on the different sides of the Clemson-Carolina rivalry, but I still loved you like a brother.

Our golf outings, big boy trips, Tybee restaurants adventures, etc., played a big part in my life and are something's I'll never forget. I'm going to miss your rabbit ears on the golf course, your laughter, and your presence.

Make sure up in Heaven the bunkers don't have rocks in them, the sun sets just right, and the casinos are just like we like them.

It was an honor to know you and call you family. I look forward to seeing you on the other side, buddy, and just for you, Go Tigers!
