“ Ernie was our neighbor. We will miss his laughter when he sits on the back porch. We will miss seeing him on his tractor, which he loved. He was a good person and he loved Elaine. We will take care of her for you. RIP our friend.##imported-begin##Shannon and Elizabeth Strickland##imported-end##

“ Dear Mr. Ernie's Family,

My older brother and I were sad to hear about our great bus drivers death. He was always out to make us safe on the bus and we always were. He was always happy and we enjoyed our bus drives home. We will miss him.

“ Dear Ellis Family,

I worked with Mr. Ernie as I always called him for a short period of time, but I would like to say that for that brief time, he was always smiling and kind to me and my children. I had just saw Mr. Ernie and could not believe when I heard he was gone. I will never forget him and I am sure glad that I got to know him. God has truly called home a dear soul. All my condolences to you all and may God continue to bless and keep you all at this time.##imported-begin##Terri Benjamin##imported-end##

“ *I last saw Mr. Ernie on Wed. Feb. 6th when he drove my class to Roper Mountain Science Center. Mr. Ernie drove my own children to and from Pelham Road during their Elementary school years and it was always such a pleasure when he drove my class on field trips. That Wednesday morning I told him he was an answer to prayer because I had prayed he would be our driver. It started to rain while we were on the trip and he helped the kids get back on the bus as quickly as possible. I am so saddened by his passing as are my personal children. Mr. Ernie drove my oldest son to the Eastside away football games. I always knew he was in good hands. Mr. Ernie will be missed, but he will be remembered for his dedication to the children of our community.##imported-begin##Susan Blum##imported-end##*
