“ *In January 1972 I joined SCDOT. I was assigned to Robert for my very first day to introduce me to the office, the job requirements, and best of all the fun parts. Robert was very intelligent, had a quick wit and fun to be around. I worked with him for 18 months and was able to use the engineering skills he unselfishly shared to move to a better job. I never saw Robert again, but he is not forgotten...Michael Smith, Attorney at Law, Myrtle Beach, SC.*

“ I remember Robert chasing me around the house trying to tickle me when I was a youngster. I hated being tickled and I would run as fast as I could, but I would always giggle when he caught up to me and grabbed me up into the air. I remember the fish stories, the Clemson football games on TV....and of course, his favorite team...the Greer High School Yellow Jackets! It is an understatement to say the Robert was one of a kind. He was one with a kind heart. It is not enough to say that I will truly miss him. Robert was the light of any family gathering. But the gatherings will not become dim without him because the light will still shine in our memories forever! I love you Robert!

P.S. You have a lot of good company up in heaven....have my mom make a hole cake and you can share it with Howard and my dad.

“ Robert was a great friend to me and my family. I will always be indebted to him for the support he gave Mom and me when my father died. Robert made this world just a little better place. He will be missed. I will miss him.
