“ Dooley passed his love of cars onto my Barry! They had more fun than a barrel of monkeys. At first Dooley had the knowledge of cars and Barry had the muscles. They sure spent a lot of time together in Dooley’s garage. Always playing and dreaming. Barry learned a lot, did a lot and had tons of fun with Dooley. Dooley was always kind to Barry. We are all better people to have known Doo! He will be missed!

“ *Dear Linda and family,  
We are so very sorry to hear that "Dooley" has passed away. He was such a good friend and we feel blessed to have known him. I wish we could be at the visitation and funeral but Dick hurt his knee a couple of weeks ago and can't put any weight on it and it saddens us to not be there to give Dooley our final farewell.*

*Please accept our deepest sympathy with love,  
Dick and Jackie*

“ Dear Linda, Dave remembers the time years ago when Dooley and he borrowed Bert's trailer to take a car up to PA and bring another car back to TN, when somewhere in WV the wheel on trailer came off the axle. Dooley and Dave unhooked the trailer at a Cracker Barrel and went back looking for it on the highway, but never found it. Dooley said "Its probably down in someone's house and they are using it as a table". Because it was all hilly and downhill.

We sure had great times in our younger days, huh! We also had fun at and the rod runs.

Myrtle Beach Run to the Sun in March and Frog Follies in August.

So many wonderful

memories we shared. That is the best about memories as you never forget a person

you have met in your life time who gives you their view of how and why they do and say

about any subject.

In the dead of winter Dooley & Dave went up to Champaign, Illinois to pick up a 1941 Buick and on the way back I found out the heater did not work. Dooley's behind me

in my warm Tahoe and we made down as far as Evansville, Indiana and got a room

for the nite. I got in our room and sat on the heater while Dooley sat on the edge of

the bed laughing all warmly.

We will truly miss him and all the stories we shared over 20 or more years. Love, Dave and Deanna
