“ *Sorry for your loss. I meet Bob about ten years ago while playing golf in the various golf groups that we both played in. Every time we approached each other on those Thursdays golf outings we greeted each other with a handshake. Bob was well liked and respected. I surely will miss Bob especially on the golf course.*

“ I am so sorry to hear about Bob. Bob was a member of many golf leagues, one of which I ran. I am from Boston and am a big hockey fan and Bob and I frequently talked about the Bruins and college hockey. He made many friends in our group and will be sorely missed. My thoughts and prayers are with the family.
