“ *Robert lived an amazing life and met everyone with a smile. He would take me fishing and camping with the family and just the best memories from my childhood. He also was the most committed person I've known, to my Granny and to anything he was doing. He will be missed deeply.*

“ Dear family and friends,

*May God be with each of you during this time providing your each and every need. We all have so many fond memories of Robert.*

*He always had a smile and loved to bowl. Robert enjoyed life and spending time with his friends.*

*My memories go to him discussing his bowling and his surgeries. He had surgery on both knees at the same time. He was strong willed and very determined.*

*Being around Robert, he would find a way to make you laugh. No one knew when, but Robert knew how to lighten a situation.*

*He his family, his friends and bowling. That, he took seriously.*

*If someone doesn't know Christ as their Lord and Savior, now would be the time to make their call and election sure.*

*If I can help in any way, please let me know.*

*Love and prayers,*

“ Uncle Robert was one of those rare souls whose kindness never felt forced, it just flowed naturally from him. His gentle humor, his steady words, and yes, his love for Mopar and racing always made our visits special. No matter the gathering, you somehow left feeling lighter than when you arrived.

*I will always smile when I think of our talks about cars and racing. He had a way of making you feel seen and welcomed, whether it had been weeks or years.*

*Aunt Lois, you are so loved. The same precious kindness that lived in him lives in you. Praying for comfort, peace, and the sweet memories that will carry you through the days ahead.*

*Our love and prayers for Aunt Lois, Rhonda , Michael, and all of the family during this tender season.*

“ Sending the deepest condolences to my family in South Carolina who are mourning the death of "Papa Robert."

*I have so many wonderful memories from my childhood with him: camping in the "camper", fishing on the "ark", his insanely fast driving on mountain roads, and going to more NASCAR races than I can remember. What I carry with me most is his unwavering devotion to my Granny and the deep cadence & tone of his welcoming voice.*
