“ Mrs. Smith,

*I deeply regret that I did not hear of Mr. Smith's passing until just a few days ago. I still called him "Mr." Smith out of the respect that I have had for him for many years.*

*I had the pleasure , as did many others, of working with / for him @ Community Cash many years ago and learned many positive values from him that I still hold as invaluable today.*

*Our Prayers, and deepest condolences for your loss. I , and many others, have also lost a great friend.*

*Best Regards,*
