“ Had my first flight with Troop in 1965, 1158S AG-18 into Canada, a winter snow, deep, in all I guess, we were together many, many, many times, never missed a destination. I am sure Bob knew where he was going on his last trip.

God bless him,

“ Bob is one of the nicest guy I have ever known. We moved to Greenville 4 years ago and he was the first gentleman I met that got me into a tennis group.

Bob's wife was fighting her battle with cancer the same time my wife was. So we spoke of their battles.

I will miss Bob terrible but I know he is in heaven playing tennis.

My sincere thoughts and prayers are with Bob's family.

Sincerely

“Uncle” Bob and my dad have been great friends since about 1960. I remember him as a young, handsome, single guy helping push us 3 kids on swings while he and our dad talked. He even invited all of us over to the apartment he shared with Jim Peters, where I marveled at his awesome book cases - full of hardbacks and made of long planks of thick wood with small barrels on both ends. Uncle Bob ran a class act at all times. He thought before he spoke and as far as I could see, he gave everyone the benefit of the doubt. I never heard an unkind word from him. We were all surprised when Uncle Bob brought his nervous bride "Miss Angie" to GA to meet our family about 1968. Miss Angie quickly joined in with the Trivett crowd, and they came to my wedding in 1975. We have been in and out of touch over the years, but I'm so grateful to have known this fine man. I will look forward to seeing him again. :)
