As his younger brother, we did not have much contact during our adult years. It is known that Robert had a significant positive influence on all of those who knew him. Don Thomas

I worked with Bob for 27 years with the Insurance Services Office. He was an excellent field rating rep. He helped to train me when I first got with the company. I remember back in 1993 I was chosen as the field rep of the year. I couldn't understand how I won with Bob Thomas, Bruce Simon and Bill Brown also in the running! They were all better than me! I'll always remember Bob as a good man, a great field rep and a good fiend. Rest in peace. My condolences to his family and friends.
