“ To the family & friends of Brandon. All of the employees of LADA Truck Lines, Inc. were shocked and saddened by the news of Brandon's passing. He was such a joy and pleasure to deal with. Everyone of our drivers expressed to me when I told them of his passing, how much they enjoyed working with him and how when they were at Blacklidge to load he always talked about his children. He always had such a positive attitude, and we all will truly miss working with him. Please know that our thoughts and prayers are with your family during this very difficult time.##imported-begin##Jenny James LADA Truck Lines, Inc.##imported-end##

“ To the family & friends of Robert B. Gillespie, I would like to extend
my deepest condolences to you at this time. Death isn't an easy
thing to overcome. You'll be comforted to know that soon Jehovah is
going to "swallow up death forever" and it'll be a condition in the
past.-Isaiah 25:8; Revelation 21:3,4. Please allow the good
memories of Robert hold you dear during this time of
grief.##imported-begin##Angela##imported-end##
