“ To the entire Threlkeld Family.

I grew up with Bobby at Evergreen Presbyterian Church in Memphis and twas a year ahead of him at Southwestern. The Threlkelds were friends of my parents as well. My thoughts and prayers are with the family as you grieve the loss of Bobby.

“ I really didn't know Bob very well because I was six years older and had moved away from Memphis before he grew up. I wish I had known him better. It has been many years since we last saw Bob, and we wish our families hadn't been so spread out, so we could have seen him more often. We will miss him.##imported-begin##Ann and John Deupree##imported-end##

“ *Your family is in my heart as you go through this trying experience. I have Bob in my prayers as well as the rest of the family. I am sorry I could not be there with you today to pay my respects, but time and distance prevent it.*

Bob was always generous and kind and will be missed by many. Hold your heads high as Bob surely looks down from above with that familiar smile and feels free from the burdens of a tired old body. He is in a better, kinder place.

Love always,

“ I want to let you all know how sad I am to hear of Bob's passing. He was such a good friend and terrific to work with. The Greer newspaper carriers and myself have sent a flower arrangement to the church service and my office is also sending an arrangement to let you all know we are thinking of you at this time. I also have a signed card from us & will leave with the funeral home on Thursday. I am sorry I can not personally attend Bob's funeral - my office has scheduled me to meet with several management members weeks ago for this same day & time and I am unable to get out of this obligation.

If there is anything I can do or you need anything from me - please call me:

With deepest sympathy,
