“ I worked with Robert briefly back in the late 80's when he worked part time for the Bi-Lo store at A & G Shopping Center there in Greer. It was so brief that I am not sure if he would have remembered me. Anyway, I remember him to be a good worker and having a great sense of humor, and I am so sorry to hear of his passing. My thoughts are with his family at this difficult time.##imported-begin##Mike Williams##imported-end##
