“ I never actually got to know her very well, but people have said she was a great mother, friend, and my grandmother

Makaylah June Pressley - February 11, 2020 at 01:22 PM

“ Not only was she my mother, but she was the greatest woman that I knew. She was stronger than anyone I have ever met. I would give anything to have her back in my life. I still cannot make myself believe that she is truly gone. I miss her so much and I will always love her. I know that she is with our other family members and that she will always be with me.##imported-begin##Stacey Pressley##imported-end##
