“ I don't know where to start. There were so many great memories. I don't know if my son Matthew would agree. One Christmas morning Matt woke up to open his gifts only to have bobby ,robin ,and Mike to commit a hostile takeover of the toy guns. Matt was shot several times and finally I had to confiscate the toys just so Matt could get a turn. I will never forget when he brought amswell home, that was his nickname for Amy. He absolutely loved her. She tried to mimic everything he did and was his sidekick in the car. Robin meant a lot to me and my kids, as well as to bobby who passed about 6 months before him. My girls and I wondered why he never came by after bobby passed. We googled his name and seen the obituary. We are all very sorry for your loss and robin will forever be loved and thought about in our hearts. The Weathers family Lorie, Matthew, Brandy, Dartagnan, Roberts,. Eden, and Bobbi Sue
