“ I first met Mr. Pittman in the hospital during the first exam on his heart, and instantly I knew he was a special guy. He had a warmth about him and a sense of humor. He knew who he was in life and what he needed to do to take care of himself and his family. While checking on him the few days he was at Greer Memorial I sensed a calm reserve in his demeanor, and am so blessed knowing that he was a child of God. You brought a brightness to my days, Rod. Thank you. See you on the other side, sir.

“ For several years now myself and a large group from Salisbury NC ( Rowan County) and and lots of others would meet up in Cherry Grove at the Blockade Runner for yet another Spring Bike Rally just like the one we all met at this past May . We all kinda just expect each other will be there from year to year kinda like when I left MOTOs one night last month hanging out with Rod Pittman and lots others putting back some cold beers and telling some lies to pass the time laughing and planning the next day of events on our Harley Davidson motorcycles . This year was extra special for me as Rod and I picked on each other alot more for some reason ....we talked crap to each other and shoved each other some and the last thing I new was he had me from around the back in a light choke hold that I could not get out of without starting a ruckus.....so I tapped out so I could breath LOL.....Rod was a great buddy , I remember few years back he came to my room and said " Hey Man , Hey Man do you want to go in together and get alot of hamburger , hotdogs , chicken and steaks for the grills out back and lets just have a big party at the bar in the back ?" I smiled real big like and said " Hey Man , Hey Man , I will be glad to and gave him like 50 bucks to his 50 and a few others gave and we went shopping .... had a great time new friends and old friends . The bike rallys will most definately have a void from here on out with Rod's absense , but we will think of him and speak his name for many many years to come and smile that smile like he always did . Oooh the Chicken Water story , we will tell that one for a long time ..... We will miss you Rod and to Diane and all the family , we will see you soon and keeping you all in our daily prayers , Love and Hugs , Peace & Hope for the coming days ,

Sincerely ,

“ *I Will Miss his Wonderful smile and infectious laugh. There have been many! I remember one time he was telling Diane and I a story over dinner and he was laughing so hard at his own story he couldn't even get the story out, he had tears just running down his face he was laughing so hard... Diane and I had no idea why, but we laughed right along with him, because you just couldn't help it... That's a special memory, along with many others that I will always cherish. He had a huge heart, and will be missed!*
