“ Prayers to Roger’s family and friends. I first got to know Roger at church. We played together on the basketball team. He was a good player and teammate. He played in highscool with my brother Eric and they remained life long friends. One New Years Eve Roger and Pam, Eric and his wife Tracy, and Tammy and me went to Tryon to celebrate. They did a ball drop at 10 and at 12 because “everybody doesnt stay up till 12”. We ate and told stories. There was music and dancing. Everyone had great time. The last time i saw Roger was at one of the grandkids baseball game. Same ole smile and twinkle in his eye. He was a good family man. Roger loves God and his family and friends. I gonna miss him but i know where he is and someday we will meet again.

“ Roger has always been my friend. I grew up in next house past church. So that made The Fowlers our closest neighbor . He was my best friend in elementary school. I have eaten at his house many times. Peggy and Larry, his parents were great parents. I can still hear how Peggy talked. As a teenager, I was doing yard work at church. I heard Peggy from their house. Calling "Roger Dale Fowler"! . Wow, all 3 names, I wondered what he had done. After High School, like most people. We didn't see each other for years. But when we would meet up, It would be like no time had passed. I always thought a lot of him. I will surely miss him.
