“ TO: Betty and Shane,

I was very sorry to hear of Rogers passing. I remember the first time we played golf together was way back in the late 80's. It is hard to believe how fast a life can go by.

I thought Dodge was one of the funniest person's I have ever met . I will keep everyone in my prayers during this difficult time. Find comfort with God and he will give you strength in the days ahead.

“ Betty Rose,

I am so sorry to hear of Roger's passing. I first met Roger when I went to work at Lyman Printing and Finishing in 1969. We worked together there in the lab for 10 years. And then again when I came to work at Spectra until he retired. He loved his family and friends and spoke of you all every day. I do know the emptiness that you feel from his passing and can only tell you, although you will always miss him, God will give you the strength that you need to get you through this very difficult time . You just have to face one day at a time, with God's help . My prayers are with you and your family and Roger's friends who loved him and will miss him dearly.

“ Dodge,

I know you're in a better place now and you're not hurting anymore, and I'm so thankful for that. I just wanted to thank you for all the fond memories, the many rounds of golf we played together, the laughs, conversations, the trips we took, and the good friendship we shared. Most of all I want to thank you for being a good husband and best friend to my mother. You will never be forgotten and I will always love you. Goodbye for now, but I will see you again.

“ There are no words that would express my sorrow to the family at the loss of Roger. During the years I knew him and played golf with him, I never heard anyone that did not speak highly of Roger. He will be missed not only by his family, but the many friends he had at the golf course and in the community. May God be with the family, and please know that all of you are in our prayers.
