“ So sorry to hear of the passing of my friend and " work brother". My wife and I send Roger's family our condolences. Have worked with Roger for " several years" and enjoyed being his friend - this place won't be the same without him, I'm afraid. The good news is the Bible tells us that we'll see him again, and his heart will be perfect... Until then, we'll miss him and remember all the good things, Enjoyed telling him about our new granddaughter last year, he always liked stuff like that! Won't get a chance to talk about football this fall, but he'll have a much better view, won't he?

“ Roger Dale Mills, was my Uncle Roger & he was the best - always have been & always will be. He was also my true hero too. I remember when I was in elementary school, Aunt Carolyn & Uncle Roger were watching all us kids & all of us kids were playing in the yard . I stepped on a glass Coke bottle & halfway cut off my big toe close to the nerve that helps you walk. If it wasn't for Uncle Roger then I would have lost my toe & proble never walked again without serious medical equipment. So he was a true hero that day (my hero). I'm so blessed to had him as my uncle & hero in my life. There are so many more special memories that I'll always cherish. I'm going miss you so much Uncle Roger, I love you. Your niece Pam Poole.
