“ *It's hard to know what to say about my baby brother. He was 2 years younger than me but always acted like he was the oldest, often looking after me like good brothers do. We were not always as close as we could have been due to life changes but we had a multitude of good memories over our lives. We supported each other's choices and prayed for the best for each other.*

*He grew up to be an exceptional man who wanted to spread the gospel and help people. He gave me 2 beautiful nieces and a handsome nephew who all grew up to be great people. They learned from him how to be good parents and good people and now the next generation is growing up under the same principles. He was fortunate enough to be able to enjoy his grandchildren, all 5 of them.*

*He knew Joy since Junior High if I remember right and they were always together. He loved her dearly for a very long time. His family was everything to him, his first priority.*

*I'm rambling on and sorry for that but my baby brother was an upstanding man and was loved by his family but also by so many more. He will be missed. I know I will remember those times when we were little and we ran on the beach together or ran all over amusement parks under strict orders to stay together.*

*Rest in God's arms, baby brother, and know I loved you.*

*Your favorite sister,*

*Pamela*

“ We knew Ron and Joy from Temple Baptist Church, when Ron was in school at Tennessee Temple in Chattanooga, TN. Our thoughts and prayers are with Joy and the family during these days. May the peace and comfort that only God can give be with you all!

Dear Joy and loved ones, John and Janet conover will be praying for you all. I am blessed that my journey coincided with Ron's for a short time in high school. My senior year of basketball included a lot of victories. Ron was that gentle giant known for hard work and positive Faith attitude. My memories those days and you people are sweet, but heaven will be sweeter when we can catch up. I miss those days when God was preparing us for his callings all over the world. Please give my love and greeting to the craft family as well in prayer, John Conover

Also, Joy, please excuse the typos, as I was sending this message above using my microphone. I wish I could be there, but I will be serving Christ here in Reading Pennsylvania. Check out the lyrics of the song flowers by Samantha Ebert. God is a good God and he has a good plan. Flowers still grow in the valleys.

“ *Ron and I met through work. He always came in and knew how to cheer the place up. He was one of my favorite drivers as I was very green to my position. Eventually I went on to meet his wife and see her lovely flower shop and the rest is history. Ill be praying so hard for their family as Ron was truely a wonderful person. Rest easy on that mountain friend.*

“ *I am so glad Preacher Felts was preaching when he was. I got saved, then I got baptized and disciplined by him; which gave me a firm foundation in the Word. 2 Timothy 2:15 I will always be thankful, because I was taught by Preacher Felts how to be a Christian in those early days, in which carries on today.*

“ Dear Felts family...Brenda and I pray for Gods grace and strength for you during these difficult times. Ron was a good man and one who loved his family his LORD. I enjoyed Ron and Tiffany whenever they would sing at Tabernacle.

*May the love of the Lord be with you as you travel this dark road...  
but we'll see him again on that Glad Reunion Day!*
