“ We were so sorry to hear of Roho's passing. We know that he is in a better place now where pain is non-existent. We will always cherish the memories we have of fun times with Roho at Wild Country. There were many times that I didn't feel like smiling but Roho would always say something to make me laugh and smile or just offer encouraging words. I think it's safe to say that I know he will be watching over all of the many friends that he made along life's journey. We will pray that God gives his family the grace to carry on without this very sweet man. RIP Roho , we will greatly miss you.##imported-begin##Shon and Pam Worthy##imported-end##

“ Dad,

I am so sorry I could not come, but I will cherish all the jokes, talks, laughs, and cries we've had over the phone. You came into our lives when I was a young child, married my Mom and took on 2 children as if they were your own. Through the good and bad, you still considered us your kids. Even from afar, I still can feel the loss and my heart goes out to my brother, Ronnie, in his time of loss. Know that Ronnie will be safe and in his siblings sight and will always take care of him whenever needed. I will miss you, Dad. God Speed and God Bless You.....R.I.P.---you are no longer in pain.###imported-begin###Theresa McGrath Przybylski###imported-end##

“ May you find comfort and strength in knowing that Ro Ho will live on in the hearts of so many. He was truly one of a kind. Even in sickness, he always found a way to bring laughter to those around him. Please know that you all are in our thoughts during this very sad time.

We feel lucky to have considered Ro Ho a friend. So to the man who brought smiles to so many....."Journey on my friend, journey on. We will miss you."

“ Ro Ho we are going to miss you terribly. Your presence at the Wild Country and here in this world made life brighter for everyone who knew you. You were a very special man, a dear soul, and your absence will be felt for a long time. But we know you are in a better place and receiving all the rewards you worked so hard for. You will forever hold a special place in our hearts. And our prayers go out to the loved ones you left behind. May the Lord comfort them in their time of sorrow.##imported-begin##Sherry Miller and Joe Mowrey##imported-end##
