“ I am so sad to hear of Rons passing,I hope and wish the family my sincere sympathy.I worked with Ron at Constar and thought the WORLD of Ron and always will.He was a special person and we cut up,joked,and had many laughs.I left Constar in 1992 and many times tried to get in touch with Ron but I couldnt find his phone number.I have thought of him many many times over the years and I know he cared a lot for me,we were good friends and someone I was very proud to call friend.Many times recently I thought of Ron and so it was with great sadness that I was just looking thru the paper and saw his passing.Well, I know its not much consolation but it is a testament to the kind of person someone is when EVERYONE has nothing but the best to say about Ron.I can only think that everyone who ever met Ron feels the same way,the very nicest guy and friend anyone could ever know!I know he is in a better place but we will all miss him so much.The world doesnt have nearly as many Ron Newtons as it should and would be a much better world if it did.I am proud to say he was my friend and I will miss him dearly.##imported-begin##Bill Ballew##imported-end##

“ Coming from a family of mine , yours and ours, Ron never made me feel anything other than his own. He showed so much love for his children, grandchildren and great grandchildren. I was proud to be his daughter. We may miss his laugh, jokes and hugs, but the memories will always be there. He is now pain free. I see him in heaven , sitting on his horse Bud...just smiling. “ Ron was a good customer for most of the 80's & 90's that I considered a good friend. If I gave him a Clemson football ticket, I knew he would use and appreciate it. In fact, he got upset when someone else took a ticket but never showed up for the game. Much to my regret I have not seen Ron for the last ten years. It was a shock to see his obituary this morning. Ron had such a patient, understanding way about him that you feel everyone in his presence was a better person because of him. May God comfort and guide his entire family - along with carrying on his legacy.

“ God could not have blessed me with a more loving stepfather than Ron. He always raised me just as if I had been one of his own daughters. In fact I was never intoduced by him as anything other than his daughter. Many of the qualities I have been told I have I learned from him - just could not get the one on patience quite right! God blessed me a second time when I married a man who could give Ron a run for his money, because I knew the type of man that would be there for me and our chidren. I will miss you so very much. Your smile and hugs, your calls for coffee when I got off work, but most of all your sound advice that I took for granted, Enjoy heaven Ron - this has to be the ultimate horse farm you have been looking for forever, I am thankful that I got to spend time on earth with you as my "Dad", but more importantly that I will spend eternity with you and my Heavenly Dad! “ I had the privilege of having Ron as my boss at Constar and even though he had retired he never forgot his friends & still dropped in for a visit every now and again. We will truly miss him. Ron had a way of lighting up a room just by walking into it. Ron was one of the friendliest & kindest people I know. I will truly miss my ole friend Ron. The world is a better place for having Ron live there. My prayers & thoughts are with you Jo Ann & all the family.##imported-begin##Kathy Burgess##imported-end##

“ Dear Newton Family:
We were so sorry to learn of Ron's death. We were neighbors for years at Country Club Estates. Our son was in scouts with little Ron and they played together as children. May God's love and grace give you all peace at this most difficult time and may your many loving memories keep him close to your heart. Rejoice in knowing that he now is in the precious arms of our Heavenly Father in a new body with no pain and someday you all will be reunited. May God bless you all. With our love and prayers.
