“ *Joyce and Family,  
I will always be grateful to John for his wonderful testimony and the beautiful singing done by him and Joyce at the Pickens County Stockade. Having been involved in this ministry for 12 years, no one touched the inmates more than John and his testimony for Christ. A large void has been left, and I'm not sure that he can be replaced. Take comfort in knowing he is singing with the angels now!! I love you both very much, and will continue to pray that God will comfort your hearts during this time.
