“ I will miss my visits with her. But I know for the 1st time ever she is not coughing. I have 2 candy bars that I had gotten her. Planned to bring them when the no visitors was lifted. She told me not long ago I did not have to bring her anything. I hope she realized I was the one being blessed by her enjoyment of the candy. I am so grateful for the love she has shown me all my life Rest easy Rosie, you fought the good fight.
