“ To Rosa's family--Please accept our sympathy on the passing of this dear lady. The first year we lived in Reidville my daughter had her for a second grade teacher. We enjoyed her cute sense of humor and pleasant spirit. When we ran into her around town or at Hatcher Garden, she was still the same calm personality. I'm sorry to have missed her memorial service, but wanted to send you our thoughts.##imported-begin##jerry and joyce king##imported-end##
