“ Roy and I are a part of a huge family of cousins with family scattered across the US so person to person contact is rare, I got to know Roy well thru phone conversations and he was always a joy to talk to, we shared updates about family, but the one thing that always stood out with Roy, he was a winning warrior when it came to the love he had for his family. Roy has moved on to his heavenly home but I have no doubt that he has left a treasure of love and memories with Nancy, his children, grandchildren, and great grandchildren. All of you are in my prayers.
