“ Roy was a good man and an even greater Soldier. He was one of the very first NCO's I met when I arrived at 310th Chemical Company, Ft McClellan, Alabama in May 2004. He introduced me to most of the Soldiers in the company and got me prepared for the job I was starting. He went out of his way to make sure I had a smooth transition and helped me out tremendously. I appreciated everything he did for me. I miss you man. Rest Easy my brother. We have the fight now.
