“ Dear Laura and family,

I regret that I will not be able to attend services today for my friend and former co-worker due to my wife's work schedule.

I enjoyed the distinct privilege of sitting next to Roy in our company break room four days per week for two years. In that short time Roy revealed his intelligence in investing and his humorous and fun-loving attitude. Roy referred to me as "The Yankee from California." In short, Roy was a true southern gentleman.

And of all the many people I have met in my lifetime, Roy has left a lasting impression in my mind that I will greatly cherish. I miss my friend.

Respectfully and with kindest regards,
