“ Frank,
We are very sorry to hear about Ruby's passing. We have been praying for you both since we heard about Ruby's illness a few weeks ago. We were praying for healing, but the Lord did not see fit to heal her the way we might have wanted. He has a greater plan for our lives that we sometimes can't understand. The Bible tells us that Jesus will never leave us nor forsake us, and if we call upon His name, He is always there to guide us through life's most difficult times. I know He is there for you and your family right now. Just lean on the Lord and be stong.##imported-begin##Ronnie ,Frank and Pat Forrester##imported-end##

“ Frank, I am so sorry to hear about Ruby. This really comes as a shock. As you know we are living in Shanghai China and will not be able to be with you during this sad time, but know that our thoughts and hearts are there with you.##imported-begin##Lamarr & Debbie Gwinn##imported-end##

“*Ruby was an angel on earth so I know she is laughing and flying high in Heaven. As my Aunt Ruby, she was like a second mother who I could talk to about anything. Never judgemental, but always honest, she would give the best advice and opinions about things. Her positive attitude and love was a true blessing for me. Whenever she and my Uncle Frank came into the room with me I always felt loved. I believe she and Uncle Frank were real soul mates and such a loving Christian couple. They provided an example for us all to try to follow. Aunt Ruby you will be greatly missed but will always live in my heart.*
