“ *Connie and Family,*

I am so sorry to hear of your mother's passing. She was such a kind woman with a wonderful sense of humor. It was always evident that she loved her family. I will never forget memories of her from my childhood, when I would visit my grandparents. I hope you all find peace and know that you're all in my prayers.

“ *Connie and Family:*

I was so sad to hear of your mom passing away. I've been meaning to come by, but I've been sick this past week. Your mom was always so kind and had a great sense of humor. It was always very evident that she loved her family so much. She is one of the adult figures in my memory as a child growing up--when I would visit my grandparents. You are all in my prayers...

“*Ruby was a great friend and I loved her very much. We had quite a few good memories. The one that sticks out the most is we dared each other to walk out of Homelite, needless to say we both were unemployed the next day. God bless you Ruby.*”
