“ *I only met Mrs. Trammel a few times but she was a sweet lady. My nieces loved her like a grandmother. I know Mrs. Trammel cooked and cared for them and spent many, many hours with them. She is someone that Haley and Logan will never, never forget. They will always have those fond memories of her and that is a wonderful gift and blessing from God. I just truly appreciate all the love and wisdom that she shared with young children.##imported-begin##Lacy Cooper##imported-end##*

“ *She was a wonderful lady and will be missed by all. I loved her dearly as everyone who ever met her did. They couldn't help it. She made me feel like family from the start. Gosh I can't believe I'll never get a hug from her again. You all are in my thoughts and prayers. Much Love, Pam##imported-begin##Pam Gibbs##imported-end##*
