“ I had the pleasure of visiting Ruby in her home many times throughout the past several years. When she decided she really did not want to walk as her doctors wanted her to, we would go outside with the walker and walk around the driveway to try and follow the doctor's instruction. Our conversations bring a smile to my face, we laughed and talked and prayed together. Ruby had a sense of humor! Before being homebound she would meet newcomers in the church and had a particular interest in praying for children. God gave Ruby discernment when it came to children needing special prayers. Love to all of you as you share your memories. And, her desserts were fabulous!! From Pastor Debbie
