“ *Dear Grandma,
I will be at your burial site after everyone has left. I want to say my piece alone with you and papa. It's been a wonderful journey being your friend. You taught me so much over the years. I am going to do the last things we talked about. Enjoy the world and travel. To live my life to the fullest.

“ *Dear Grandma,
You are a wonderful person. I'm going to miss the grandma that went with me to look at clothes, saddles, lunch and just visits. I will miss when you came to my home and we would go places. I will always have the love in my heart you showed me. The many times we would eat chicken together. I loved listening to you talk and just spending time with you.. My husband and I was always made to feel like your family. I shared a bond with you grandma that will never go away. I will see you in heaven. God will take care of you.##imported-begin##Michelle Privette Jr##imported-end##*
