“ Gwyn and family - Since Suzanne introduced me to Russell a few years back, it has been a joy and a blessing to get to know him and to learn about him....and most importantly....to watch him grow in his faith. We enjoyed yall's company and the great dinners we had together, talking and catching up. And we enjoyed just being real with each other, sharing our stories as we all have them.

We have been praying for yall and will continue to!

And Gwyn, you have been awesome for Russell. You were his world, and it was obvious.

Much love to all of you!

“ Uncle Russell you will be deeply missed I only got to see and spend time with you once or twice a year only because of the distance between us but I will always treasure our times together. I loved all the cars you would purchase and invest in and share all that knowledge with me about the automotive industry. Also all the fun and great restranuts you would take us to you certainly knew good food. Your endless hospitality to me and my family will never be forgotten . When we visited you it was always like a breath of fresh air. A lot of laughs and fun. I will certainly miss you my friend thanks for all the fun times your buddy Eric
