“ *My Aunt Ruth was always one of my favorite aunts. Whenever I would come from Florida to visit my aunt Ruth and uncle Mac, going to their house was always one of my favorite things to do. Aunt Ruth was always special and I loved her smile, sense of humor, and the way she cared for me. I also always remember her and uncle Mac coming to Florida and going to the spring training games with us. I am looking forward to the day when I will see her again in Heaven along with my mother, her other sisters, my grandparents, and my other cousins who are there now waiting for us. Thanks aunt Ruth for being such a special aunt and we can't wait to see you again when we get to Heaven.*

*Love you,
Jim Mills and family*
