“ Dear Julie and Jackie, You have my deepest sympathy. Though I have seen neither of you in many years, I still remember each of you fondly. I just lost my Dad on 1-30-09 and he was 91 years old. Had been living with him and caring for him since my Mom died in 2000, and I am still so lost. They will always live in our hearts. Sue Wood##imported-begin##Sue Wood##imported-end##

“ Julie Green and I have been best friends for many years. I will never forget the first time I met Ruth Green. I did not know that people like that still existed on this earth. She was the most congenial person I had ever met and continued to be just that as we grew close through the years. On numerous occasions, I would leave the beach with Julie to go "home" with her. Without fail, there would be a vase of gorgeous roses in my room and somebody there to take my luggage upstairs upon arrival. She treated me like a daughter and Julie and I would have so much fun with her. I am going to miss those times. I love this family and will cherish my memories in Duncan forever. Thank you Ms. Green. Rest well....you deserve it.###imported-begin###Rebecca Bellamy###imported-end###
