“ During these Covid challenging times, no local funeral is planned. A family gathering is planned at a later date in North Carolina. Mother loved being a wife, mother and homemaker and later being "Grandmommie" as grandchildren and greatgrandchildren came along. She was a talented seamstress, great cook and baked mountains of yeast breads, she loved flower gardening, knitting and crocheting, took Greek as an adult to be a better scholar of the Bible, read the entire Bible over 80 plus times, gave out thousands of Gospel tracts, played a mean harmonica, was a great supporter of missions. she and my Dad loved camping and RV traveling. Their trip to Alaska to spend a summer there traveling with a sister and brother-in-law was the trip of a lifetime. She was a great prayer warrior and leaves a lasting Spiritual legacy. Please honor her by being fearless and faithful in witnessing to the saving grace of Jesus Christ and share the Good News of the Gospel with all you meet.
