“ I am so sorry to hear this. We worked together at Miracle Hill and  
loved to talk about the goodness of the Lord. I loved her and will

“ I met Ruth at Miracle Hill where we both worked and I was instantly drawn to her since she reminded me so much of my Mom and my homeland Germany. We had some wonderful time working together. She will be missed but I know she is rejoicing being with Jesus. Praying for peace and comfort for the Jordan family.

“ I am so very sad to hear of my friends passing. But what a glorious day when she woke up to finally see our God in person. Ruth has always motivated and convicted me to be a better Christian by her example. Praying for her family .

“ I met Ruth at Wal-Mart accidentally when we were both hunting items for shoebox gifts for children with Samaritans Purse. She loved my mother so much and I thought of her being with my mom now with Jesus. David, I am praying for you and the family.

“ I remember getting to know Ruth during Journey Camp when she and Dave volunteered. It is a camp for "kids from hard places" children in foster care or who have been adopted. Seeing her love on those children make my heart happy and helped me to fall in love with her and Dave.

*I appreciate the conversations we shared and will miss her very much.*

*Praying for your tender hearts.*
