“ *She was a very special Aunt to me. My sympathy and prayers to all of your family Susan. She was a lucky Mother to have you for a daughter to take care of her. I am very sure there will be a big basket of fried chicken waiting on her at heavens gates. She made our family get togethers very special. She is now reunited with my sweet Mother and all of her precious siblings. I know their arms are wide open waiting on her there. May God grant you the peace you need, to know that you were always there for her. I am so going to miss her sweet self. Love to you all.*
