“ *Brian, we are sad to learn of sweet Ruth's passing - our heartfelt sympathy to you and your family. We reflect on our days at Zoar and days of scouting with you and your parents - both were perfect examples of true southern gentle people and true Christians. We have precious memories of those days and those times we shared when you and Phil were growing into young men. May God's love surround you with His mercy and peace and may your many memories give you comfort in the coming days. Let us rejoice in God's promise that we will see our loved ones again in Heaven with him 'on the sweet bye and bye' and oh what a day that will be. May God bless and keep you and your family is our pray. Sent with our love and prayers to each of you.*

“ I have fond memories of living next door to the Mostellers for many years. They were both treasured, kind and helpful friends. Ruth and I continued our friendship after both of us were widowed. Ruth always had a warm smile and kind word for everyone. We shared many good times together.
