“ I helped take care of Mrs. Ruth for a few years and absolutely fell in love with her from day one. I looked forward to seeing her beautiful smile everyday. I will miss her dearly and looked forward to the day we get to see her again.

“ Linda, We were so sorry to read about Ruth's passing away. We were so blessed to have known her at Fleshers Fairview Healthcare Center. She had been a roommate with my mother, Christine Hayes, for about two years before my mother died. Ruth was always a pleasant lady to be around and engage in conversation. We can be sure that our temporary earthly homes and bodies are nothing when compared with those homes and bodies of perfection that we will one day have in heaven. Today, Ruth is certainly a recipient of restored health and a beautiful heavenly home. May God use your friends and family to give you the comfort you need as you grieve and continue to celebrate Ruth's life. Our thoughts and prayers are with you and your family.

“ Dearest Linda & Family:

We were sad to learn of Ruth's death. She was such a good person and we have fond memories of her at Wood's Chapel. She and your sweet father meant a lot to us and influenced our lives as we were growing up. Wood's Chapel - where has the time gone - such fine young men and women you all were and such a blessing to us as a young family. We learned a lot from you and the group - such precious memories that we will never forget! We are sorry we can not see you and your family in person, but we are out of town with our grandson at travel baseball tournaments for the week. Please know that you and your family are in our prayers - we pray that God's loving arms will surround you and His love and mercy will give you peace during this difficult time. During this sad time, we must rejoice in the promise that we will see our loved ones again in Heaven with our Savior and know that our loved ones are already there with Him awaiting our coming home. May God bless you all.

*With much love and our prayers
