“ Beverly,

I was so sorry to hear of the loss of your grandmother. I will always remember going with you and your grandparents to Florida for your checkup. I know they must have gotten tired of all the laughing and talking we did!

Please know that Gene and I are thinking of you.

“ Rev. Hollifield, Mott and Marian, I am so sorry to hear of your loss.
She was such a dear, sweet Christian lady. I have many good
memories of you and your family and one I will always remember is
of her and her little purse over her arm as she directed weddings we
were involved in at Nebo. My prayers are with you and your family
during this difficult time. Love, Jean##imported-begin##Jean
