“ Bo , I am so sorry to read of Sadie’s passing. You know I loved her dearly. She was such a dear friend to Audrey. I loved and love all of my sister’s friends. I called them, my girls. I’m going to miss your Mom. That unexpected sense of humor,at times. Heaven gained another precious angel. She was a delightful, precious soul. I have many special memories of her. May your memories bring you comfort in the days ahead. Cheryl Sloan smith

“ Bo- I was so sorry to hear about your sweet mother. I always looked forward to her visits every couple years of so. She was so delightful to talk with. She always remembered what we talked about on the previous visit and would ask about those things- job, church, children. Mama talked about Sadie often. They were close growing up because they were so close in age- more like sisters than aunt and niece.
Please know that you and your family are in my thoughts and prayers today and in the coming days.

“ *So many memories of growing up across the street from this precious lady. She was always so interested in our lives.....as if we were her own children. I know she and Audrey had a sweet reunion in heaven yesterday. Will miss her.*
