“ We went to school together she would make me laugh, she was so fun. She didn't mind speaking up for herself and I just loved her. I had wondered from time to time how she was. She was a sweetheart. I am sorry for the family's loss. I know you must all miss her.

“ Sallye and I bonded in high school over our love of The Monkees. I loved singing with her. Between our beach trips to Garden City, Special Olympics trips to Charleston, and the independent living house sponsored by Greer High School, I probably spent more time with Sallye than I did with my own family during high school.. Knowing and loving Sallye made me a better person, and I will treasure all that she taught me. Her memory will always be a blessing.

“ I was friends with her older sister in high school. I hung out a lot at their house during those years. I have many fond memories from those years. Molly and Mrs. Krueger, I'll be praying for you and the rest of the family.

“ *From my earliest days in Lakewood Hills, knowing Sallye was a treat. Babysitting her and spending time with her was always fun. She would make us all laugh with her stories and antics. Our love of our dogs Davey and Dudley led to many conversations that I treasure. I loved Sallye and am sorry she has passed. I pray there is comfort for your family. And I pray that all dogs do go to heaven and Sallye found Davey and Dudley waiting to welcome her home.*

“ Sending my deepest condolences to Sallye’s family and friends. It was my pleasure to be a part of Sallye’s life for many years as a staff at Blossom, where she resided at the time. Sallye loved her coloring books and crayons and she also loved to read books. Rest well, you will be missed 🌹🕊️

“ Sallye this hurts my heart to know that little Sallye has left us. She was a very special little girl to me at Tryon Street Elementary School. That little stinker loved those monkey bars and never wanted to come down from them. She was loved by all of us and we knew she loved us. Wonderful memories of this precious, beautiful and loving little girl. God has another special Angel now. He always takes the best before we are ready to let them go. Prayers for you Sallye and the family. I know she will be missed. Love, Mertie

“ Sallye was a joy. She loved to sing and dance to Cyndi Lauper, she knew every word to every song. Sallye knew "Girls Just Want to Have Fun" and was always up for a good time.
