As a young man of 22 years i have made so many mistakes and at times lost my way..luckily my papa and granny have always been there to help me..There are so many wonderful things i can say about my Papa..one being ..any time asked him to play catch with me in the yard he would grab the ball and gloves and tell me to "come on"..he taught me about nature and respect for life..my papa listened to me as well..I love that feller forever and if i can be a fifth of the caliber of man and person he was then ill be ok...I love you Sammy boy!!!###imported-begin##Zachary Hightower###imported-end##*

“ Martha and family,  
*We wanted you to know we are thinking and praying for all of you. Sam was so kind and friendly to us. He helped us in the yard when we built our house and would always smile and wave when he rode by on the tractor. May God comfort you in this time .*
