“ *Sandy was a loving person. She was an outstanding softball player who could knock the cover off the ball. She enjoyed camping with her family and we enjoyed camping with her and her family at Ocean Lakes. She was a second mom to my daughter growing up. I cannot recall one utterance that Sandy ever said that was hurtful to or about others. Her manner was kind and she was generous with her love. To Dean, her girls and the rest of the family, I know your hearts are hurting because I am so sad that a beautiful soul has left this earth. I know she is in the arms of Jesus even as he extends them in comfort to those of us who are heartbroken with this loss. Take peace that Sandy was here in your lives and the wonderful memories she gave you and all that loved her. I will miss this remarkable lady. Caron*
