“ My dear sweet cousin, what will I ever do without our late night phone calls, super early messages on FB. Every time I drink a cup of coffee I think about you! I am so glad I got to spend a few final hours with you, you were so talkative in the morning hours, then you were gone in the evening. I love you to the Heavens and back. I am so happy you are pain free, and all your tumors are gone. Remember I told you before I left you that if you left before I got back to Hug everyone in Heaven, and when it was my time, I want you to meet me at the River of Jordan. Hugs and so much love. Will see you again one day and we can talk up a storm.
