“ My dearest Sandy's life has been like a candle in a window. She has cared, comforted, nurtured, and sheltered everyone that has come to her door in need. She has done this even when she herself has had needs. She deeply loved her cats and dogs, possibly more than some humans. She will forever be known to many as the "All American Hotdog" lady for providing faithful service to patrons of the restaurant for years. I am heartbroken over her passing from this earth. However I take comfort in knowing Sandy had a personal relationship with our Lord Jesus Christ. Knowing this, I trust we shall meet again. It is God's promise, though Faith by us giving our life to Jesus that we will have an eternal life in Heaven. It is with that knowledge, I know beyond a shadow of doubt Sandy has received a perfect new body, no longer broken or suffering here on earth. She has a new home in heaven for eternity. I respectfully ask that everyone grieving Sandy's passing, honor her legacy of caring for others. May you share a little kindness by caring for those in need as she may have once or many times did for you. Surely Sandy will be missed here on earth but never forgotten. Peace be with you and God Bless
