“ *Mrs. Abraham, Laurie (Mitchell and family), and Michael and Riley, I am saddened to hear about Sandy's passing. I can remember so many times between Tryon Street, Highland Dr, the schools we all attended together from elementary through high school and have so many wonderful memories. Staying close locally I would run into Sandy from time to time and she never changed. I know each one of you are hurting and I'm sure that there are really no magical words that I could write down to make your pain go away. Cherish and hold dearly the memories that you have of her life with you. Talk about her often, cry, laugh and love one another. May you find peace, comfort and grace in Gods loving arms.  
Praying for you and your family.
